for Director of Public Instruction.

Copy of the letter Rc.No.319-A/46, dated 10th June 1946.

I have the honour to bring to your kind notice that there is a cooperative Stationery Society attached to this college registered and audited by the co-operative Department. There was a part-time clerk for this society working on a monthly salary of Rs.25/- Justta few days ago he has resigned, but no substitute is available for anything less than Rs.50/-. It is impossible to carry on the work of the society without a part-time clerk and the society is unable to maintain a full-time clerk. Even the payment of Rs.25/- for the former part-time clerk has been found to be more than what the society could afford with reference to its transactions. Under the circumstances I was forced to ask one of the College Clerks (Sri P.T. Chandu, Clerk, Secondary Training Section) to undertake the part-time work in the society The Society does business only during the non-working hours of this institution and as such the clerk can easily carry on this work without detriment to his legitimate duties. As it is too much to expect him to do this extra-work without any remuneration I feel it is only fair to give him some monthly allowance. It is therefore proposed to pay him an allowance of Rs.15/- per month. I submit that I may be kindly permitted to allow the clerk to receive the allowance for the part-time work.
